6/25/76

Dear Harold,

The Senate Intelligence Reports are a Cover-up of a Cover-up of a Cover-up of a - - - - - - - - .

They report as fact the F.B.I. claim of 238 "break-ins" between 1938 and 1966 when the G.W.P. alone caused account for 92!

Helms tells them Dr. Gottlieb destroyed the drug program data on my agreement and in effect so what?

Most of the reports appear to be written by The Company.

Vague, elliptical, give us what they know

in detail and what they don't in general terms of opaque hints.

The N.S.A. did spy on one person (unnamed but obviously David Kahn) because he talked about them.

And Hunt was the CIA contact with publishers but tells nothing of his work.

The CIA has files on all critics and your own files also F.B.I./CIA/NSA etc.

Sincerely
